APPROBATIONS FOR THE KESHER SCHOOL PROGRAM

The following comments and feedback have been received from teachers and school administrators regarding the KESHER Program:

“The KESHER program is a valued addition to our professional team.”

Mrs. Nekritz, Principal Shulamith Elementary School

“I’ve learned valuable insights into how to deal with difficult children”

Rabbi Ungarisher, 20+ year rebbe at Torah v’Daath

“The KESHER Program has proven to be very beneficial to both the Rebbeim and the moras.”

Mrs. Paris, Principal, Yeshiva Ateres Yisrael

“The KESHER program’s training and on site support has helped me assess my actions on a more rational, rather than emotional basis. The program enabled me to see the big picture and ensure that decisions are made based on realistic expectations and outcomes.”

“Our teachers and I have learned many insights and alternatives from the KESHER program. One teacher said she felt like a burden was lifted off of her shoulders. Another said that her classroom has become a more relaxed place.

Thank you for making a difference here.”
